Using the Search Filters select:

Publication year: if you want only the latest use: is 2020

If you would like to get more titles use the drop down menu to select your preference e.g. use after and type in 2019 and you will get all of our fiction titles acquired in 2019 and all of 2020

Click on the green Search button and you will get a list of new books!

Once the page has fully loaded, you can then use the Sort by dropdown menu in the top middle portion of the screen to refine your search a bit more. This is an example for Adult fiction novels. You can use any of the filters for other searches, junior fiction, junior nonfiction etc.
